NT Training Awards Information Sessions

**Not quite sure what's expected from a nomination?
Need help putting your nomination together?**

Information sessions will be held in April to assist nominees in compiling a high-quality, competitive nomination for their category.

The information sessions will be conducted primarily online through a virtual conferencing facility known as webinars. Webinars are interactive, so session participants will be able to ask questions and receive answers.

To participate in a webinar, nominees need to visit

www.trainingawards.nt.gov.au/workshops

to register for the preferred webinar session. Then, at the allotted session time, nominees will need access to:

- A computer (with a microphone and/or webcam if possible, but these are not essential)
- An internet connection
